

POWDER COATINGS

Asian Paints PPG Pvt. Ltd.

Asian Paints PPG Pvt. Ltd. (APPPG) is a 50:50 joint venture between Asian Paints Ltd. and PPG Industries Inc. USA dedicated to addressing the industrial coatings market in India.

Asian Paints Ltd. is India's largest paint company founded in 1942 and Asia's third largest paint company with an unparalleled network, reach and market presence.

PPG Industries, Inc. is a global leader in paints, coatings, chemicals, optical products, glass and fibre glass, founded in 1883 and headquartered in Pittsburgh, USA.

Through this joint venture, the best of both partners has been brought together to provide technological & operational excellence of global standards. We aim to support our customers by providing superior products, services and innovative solutions that offer protection, aesthetics and productivity.

The wide range of Powder Coating products are marketed under brands “Apcoshield” & “Hawcoplast”

About Asian Paints PPG Pvt. Ltd.

Asian Paints PPG Pvt. Ltd. caters to powder coating end use segments like Electrical, Engineering, Machinery, Telecommunication, Appliance, Furniture, Hardware, Architectural, Auto and construction equipment, General industry etc. Our distribution network and sales team are equipped to assist you to implement good painting practices and achieve application excellence.

Manufacturing: Our dedicated manufacturing plant is located at Sarigam (Vapi) in Gujarat with world class facilities and is ISO 9001:2015 certified.

Know how: Our R&D setup is recognized by Department of Science & Technology and is located at Sarigam. Innovative products designed at our R & D facility, manned by qualified scientists coupled with production processes incorporating stringent quality checks, ensures that all our products consistently meet your requirements.

Technical Services: Asian Paints PPG's well equipped technical experts are located at each region. These technical experts visit customer sites for trouble shooting, resolution of application problems & provide value added services like analysis of oven profile & heat distribution, process audits, training to operators and supervisors, pre-treatment & powder coating application guidance.

**“Asian Paints PPG is a business partner that you can rely on.
We have the people, products and processes to meet your demanding needs.
Our brands are tried and trusted to deliver consistent performance.
We continuously strive for total customer satisfaction.”**

**Our mission is to give the best solution for our customer needs through
a wide range of product offerings**

Our “Best in class” products are available in a wide range of colours with different finishes like Glossy, Semi Glossy, Matt, Texture, Structures, Wet look, Metallic etc.

PRODUCT	SERIES	DESCRIPTION
Epoxy	EX400 series & EP Series	High performance Epoxy based products designed with high chemical resistance performance to impart exceptional protective properties for products intended for indoor usage.
Epoxy-Polyester	EXPY700 Series & HY Series	Blend of Epoxy & Polyester based products designed for indoor articles to impart good aesthetics & protective performance.
Pure Polyester	PY900 Series & PP Series	The ideal coating solution for articles intended for outdoor usage with excellent resistance to sunlight & other outdoor conditions.
Polyurethane	PU600 Series & PU Series	A unique combination of corrosion resistance and outdoor durability in a single coating. They are a perfect solution for demanding outdoor conditions imparting extraordinary protective & decorative performance.
Metallics	ME Series	Formulated to provide brilliant metallic effect and novelty finishes in wide gloss ranges.
Architectural	PY900 ENDURA Series PY900AD ALPHA Series PY900D ASIAN Series PY900ED DURO Series	These are designed incorporating high durable Polyesters for application on Aluminum Extrusions like window frames, curtain walls, facade structures etc.
Primers	EPZ 800 ZINCO PRIME EX400 EPOXY PRIMER EXPY700 EPOXY- POLYESTER PRIMER	Zinc Rich Epoxy Primer used in two coat systems for high corrosion resistance. Best suitable for blasting process. Epoxy Phenolic Primer can be used as a primer in two coat systems or as a single coat system– Primer cum Top Coat. Epoxy-Polyester Primer in two coat system for extraordinary high corrosion resistance suitable for all pre-treatment processes.
Antibacterial	AB KLEANCOAT	Smart coatings that eliminate & prevent growth of micro-organisms on powder coated surfaces. Most useful for coating of Hospital & Kitchen furniture, medical equipment, clean rooms etc.
Fast cure	FC Series	Aimed at improving productivity.
Low Bake	LB Series	Energy saving requiring no modifications in existing ovens.

Businesses of Asian Paints PPG Pvt. Ltd.

Protective Coatings

Extensive range of high performance, heavy-duty coatings for protection of assets in aggressive industrial environments offered under brands of Asian Paints, Sigma & Ameron.

asianpaints  SIGMA COATINGS **AMERCOAT**

Road Marking Coatings

The range includes Hot Melt Thermoplastic road marking material, cold applied Retro-reflective paints, water and solvent based Acrylic paints for marking roads.

APCOMARK APCOTRACK

Floor Coatings

Offers a wide range of coatings for floors and hygiene wall coatings like Primers, Epoxy anti-skid coating, Thin Film Coating, Epoxy self-levelling flooring, Epoxy ESD coatings.
